

Week 9 Diary Entry

Yuha Kim

2023-10-18

Final Project Topic Selection

1. What is the topic that you have finalized?

The topic I have finalized for is about the volcanoes in Japan. The question I want to investigate is: How are volcanoes distributed across Japan?

2. What are the data sources that you have curated so far?

The data source I have curated so far is a visualization of volcanoes in Japan from Tableau Public. Here is the link: https://public.tableau.com/app/profile/david.pires/viz/volcanoes_15907677233490/LandofVolcanoes (https://public.tableau.com/app/profile/david.pires/viz/volcanoes_15907677233490/LandofVolcanoes)
